ABOUT US

COMPANY

Gearmate is part of a group of privately-owned companies that have been supplying the automotive sector for more than 20 years.

MANUFACTURING

Gearmate is committed to manufacturing the highest quality products with continued investment in the latest technology, software and machinery.

PRODUCTS

Gearmate offers its customers the best possible storage/access solutions when selecting the right vehicles equipment. Each product is road safe, vigorously tested and finished to the highest quality standard.

WHO WE ARE

Gearmate is a British designer, manufacturer and supplier of 4x4 accessories and load bed storage solutions.

Our products are designed to integrate perfectly with a vast range of commercial/non-commercial vehicles.

NO DRILL SOLUTION

Gearmate are unique on the market, offering a no drill solution. Our unique bracket systems have been designed using 3D scan data of the different manufacturers vehicles.

Our no drill solution offers straight-forward, hassle-free installation. This approach is ideal for protecting your vehicle's warranty, as it avoids any permanent alterations or damage to the liner or bodywork.

With no permanent fix, our system gives you the flexibility to modify or remove it at any time. It's secure, efficient, and a worry-free way to enhance your truck's functionality.

MODULAR, SIMPLE & UNIQUE

Our products are modular, making it easy to add or remove components to suit different needs.

Many core items are also designed to be transferable across various vehicle makes and models.

COMPATIBLE WITH

At Gearmate, our systems are designed with flexibility in mind. Whether you drive a double cab, extended cab, single cab pickup, SUV, or van, we have a solution to suit your needs.

Our modular designs allow us to tailor our storage and drawer systems to a wide variety of vehicles, ensuring a secure and practical fit, without the need for drilling or permanent modifications.

VEHICLES

- Volkswagen
- Range Rover

Please note: We do not offer the 226mm height in a Heavy Duty range, or a Single Drawer configuration.

INFILL PODS

OPTIONS

Open Top Infill Pods

Perfect for those who need fast, direct access to smaller items. No more rummaging around in the load bed. Just grab what you need and go.

Top Locking Infill Pods

Offers a secure solution for storing smaller items out of sight. With a lockable lid, you can safely stow tools, gear, or valuables and trust they'll stay put during transit.

Front Locking Infill Pods

Providing secure, easy-access storage from the front face of the pod. Ideal for keeping smaller items locked away but still quickly reachable when needed.

Please note: Front Locking Infill Pods are not compatible with any Ford Ranger models, or the new VW Amarok.

ABOUT

Pods that create a flat bed surface and a clean, integrated finish alongside your Drawer System. Perfect for adding extra storage while maintaining a tidy look in your vehicle.

Designed exclusively for use with the Drawer Systems, offering a seamless and practical addition to your set-up. Available in three configurations; Open Top, Top Locking, or Front Locking.

DRAWER ACCESSORIES

OPTIONS

Narrow Slide - £750 + VAT

Central Slide - £780 + VAT

To be positioned on the LHS, centrally, or on the RHS of the drawer unit. With a 75% extension, the slide brings your gear within easy reach for quick and convenient access.

Deck Dimensions - W x D x H (mm)

500 x 1240 x 95

Gearslide Top - £875 + VAT

The Gearslide Top is designed to fit directly onto the full width of the drawer unit, allowing you to carry larger items on top with ease, while keeping your set-up organised and efficient.

Deck Dimensions - W x D x H (mm)

1020 x 1240 x 95

Double Narrow Slide - £1500 + VAT

The Double Narrow Slide gives you the flexibility to carry different items on each slide and use them either together or independently, making it a versatile solution for a variety of gear and set-ups.

OPTIONS

Hex Rubber Matting - £90 + VAT

Available as an optional upgrade. It provides a hard-wearing, non-slip surface for improved stability while maintaining access to the removable divider holes, allowing the drawers to remain fully configurable.

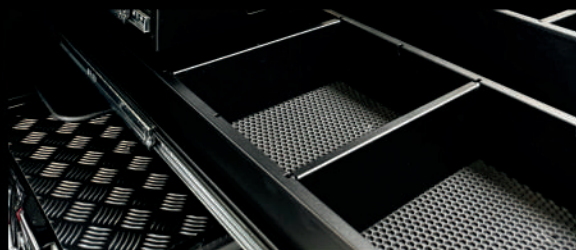

Bespoke Foam Insert - £385 + VAT

From secure gun storage to luxury champagne compartments, the possibilities are endless.

After placing your order, we will send you a template to trace around the items you would like compartmentalised. Alternatively, you are welcome to visit us, and we can complete this for you.

Drawer Safe Insert - £550 + VAT

The Drawer Safe gives added protection for valuable items, an extra layer of secure, lockable storage within your drawers. Made from 2mm thick steel, with 2 extra secure locks.

DIVIDER OPTIONS

OPTIONS

Central Divider - £400 + VAT

The perfect accessory for those who wish to keep their truck organised, with divider space to carry pets and goods securely.

The Central Divider secures directly to the drawer extrusion, providing added stability and helping to keep your gear neatly organised.

Single Gated Divider - £635 + VAT

A mesh divider with lockable door frontage. Secured to the drawers extrusions, allowing quick attachment and removal to the drawers.

The Single Gated Divider comes as standard with the mesh gullwing, offering added security and helping to keep your gear safely contained.

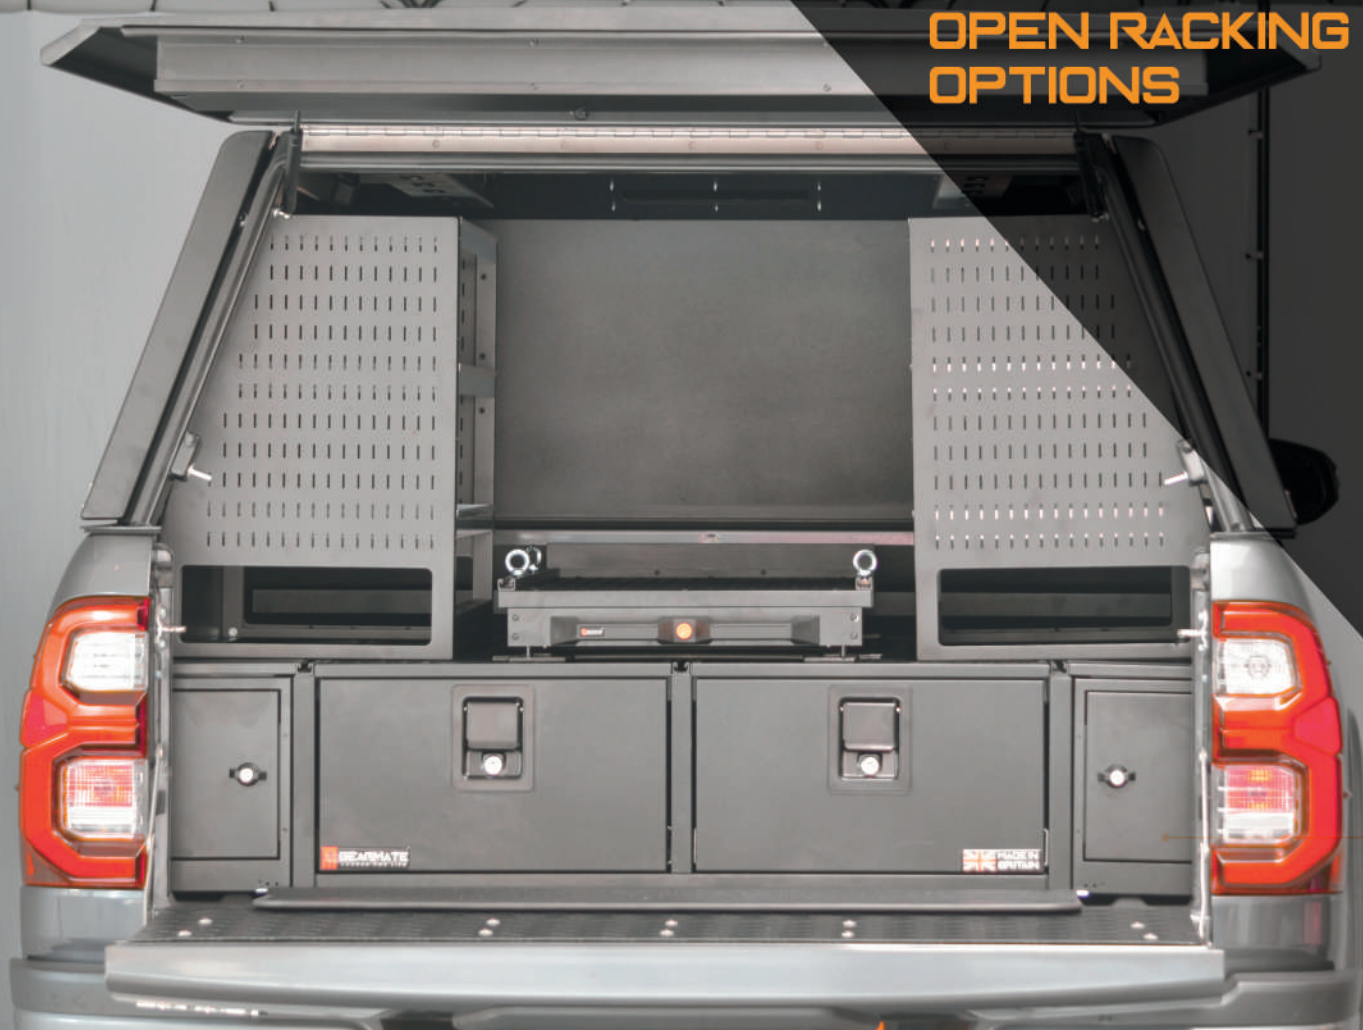

Double Gated Divider - £900 + VAT

Two door lockable divider with LHS and RHS mesh sides for additional security for dogs or cargo.

Please note: The Dividers are only compatible with the Gearmate Drawer Systems.

OPEN RACKING OPTIONS

ABOUT

Our racking is designed to give you maximum access to your gear through the hardtop gullwing. With a universal design, the racks can be fitted on either side of the drawers.

The racking options are available with all of our drawer systems - GM226, GM300, and GM400.

The racks are available in 3 height options;
500/600/700 (mm).

Dimensions - W x D x H (mm)

GM500 Rack: 400 x 980 x 500

GM600 Rack: 400 x 980 x 600

GM700 Rack: 400 x 980 x 700

INFO

With a 60kg shelf load capacity, and adjustable shelf heights, items can be stored safely and efficiently with the Gearmate racking.

We recommend checking which rack option will best suit your chosen drawer system and hardtop canopy to ensure a perfect fit.

Please note: The racks are only compatible with Gearmate Drawers.

OPTIONS

Single Rack - £425 + VAT

To be fitted on either the LHS or RHS of the drawer system, allowing convenient gullwing access to items you need quickly while keeping them securely stored and neatly organised.

Double Rack - £850 + VAT

Double up with two racks mounted on either side of the Drawer System for additional storage and easy access to your gear whenever you need it.

Double Rack & Slide - £1630 + VAT

The perfect set-up for those seeking extreme, sturdy storage and maximising every inch of their truck's capacity.

DOG BOX'S

OPTIONS

Single Dog Box - £660+ VAT

The perfect accessory to keep your animal secure and comfortable. With a lockable door and quick attachment and removal to the drawers. It can be easily removed when not transporting pets, offering convenient flexibility.

Double Dog Box - £960+ VAT

Combining two single dog boxes, allowing you to use either one at a time or both together. This gives you the flexibility to create more space in the back when needed, while still providing secure and comfortable accommodation for your pets.

Gearmate Dog Beds - £54.99+ VAT

Elevate your set-up and create a luxurious space for your pets with the Gearmate dog bed, branded to perfectly match the Gearmate system. An ideal add-on for comfort and style.

SLIDE OPTIONS

ABOUT

T SLIDE

Following the contours of the truck bed, the T Slide maximises useable space while providing a durable, easy-access platform for your gear. It's a smart, space-saving solution that's built around your vehicle, not the other way around.

GEARSLIDE

Offers an effective solution to accessing your load space. Practicality and flexibility are improved beyond recognition. Please note, the Gearslide does not sit on top of our Gearmate Drawers.

WHEEL ARCH SURROUNDS

An accessory that offers additional storage and helps maximise every inch of space with its raised sides for better load containment.

HAMMOCK

For even more versatility, you can also add the Hammock accessory, creating a suspended, easily accessible storage area ideal for smaller items or gear you need to keep within reach.

INFO

Never crawl into the back of your truck bed again. Your entire load space is brought to you with the T Slide and Gearslide 75% extension.

A robust and practical solution for accessing your gear with ease. Engineered for strength and reliability, it can carry up to 800kg when closed and 400kg when fully extended, making it ideal for heavy equipment and tools.

OPTIONS

T Slide - £1100 + VAT

Shaped to the contours of each truck bed, Gearmate's T Slide utilises the maximum width of the available bed area.

Please note: The T Slide is not compatible with our drawer systems.

Gearslide - £1100 + VAT

The Gearslide offers an effective solution to accessing your load space. Practicality and flexibility are improved beyond recognition.

Aluminium Chequer Top - £100 + VAT

Hammock Accessory - £240 + VAT

Gearslide & Wheel Arch Surrounds - £1400 + VAT

A popular accessory for the Gearslide is our Wheel Arch Surrounds. The maximum height surrounds offer an added lip to extend over your wheel arch, giving you an extra shelf of space.

SPLIT SYSTEM

 **GEARMATE**

ABOUT

The best of both worlds. The perfect balance between secure storage and easy access, combining a half drawer, half slide set-up into one complete solution. Available in all drawer heights; 226, 300, and 400 (mm).

The all-in-one system comes complete with infill pods, creating a flat load surface and maximising use of space over the wheel arches. Available in a range of colour options, or in our standard sparkle black finish.

DRAWER FEATURES

- 100% extension lockable drawer.
- Rubber anti-slip deck surface.
- Adjustable drawer divider.
- 150kg weight capacity.

SLIDE FEATURES

- 4 locking positions for increased security.
- 200kg load capacity on slide deck.
- 75% extension with the slide.

OPTIONS

Split System - £2650 + VAT

Featuring a half drawer, half slide design, it's perfect for those who need to carry different sized items with ease.

Split System with Racking - £3050 + VAT

Add racking to maximise storage by utilising the Hardtop gullwing, providing additional space to securely store your gear while keeping everything easily accessible.

INEOS GRENADIER

GEARMATE

ABOUT

Maximise your vehicle's potential with the INEOS Grenadier Drawer Systems, purpose-built for the Station Wagon, Utility Wagon and Quartermaster models. Whether you're on the job, off-road, or off-grid, these drawer systems offer secure, organised storage that's ready for anything.

Available in both a Twin and Single Drawer configuration. Both configurations come standard with three removable dividers, allowing you to customise your set-up to suit your tools, gear, or adventure essentials.

INFO

Explore our INEOS Grenadier range, featuring high-quality Drawer Systems and a selection of add-on accessories including Slides, Dog Boxes, and Internal Roof Racks.

Whether you're gearing up for work or adventure, this set-up offers the perfect blend of organisation, durability, and versatility.

OPTIONS

Single Drawer - £1425 + VAT

Designed for carrying larger or bulkier items, the Single Drawer System provides a spacious, heavy-duty storage solution without compromising accessibility.

Twin Drawer - £1525 + VAT

The Twin Drawer System offers dual sliding storage compartments for maximum organisation and quick access to your gear.

Reduced Height Drawer - £1425 + VAT

Optimised for flexibility, the Reduced Height Drawer sits flush with the rear seat headrests when folded flat, creating a level load space and allowing for increased room above the drawer. Ideal for carrying taller items or maximising vertical storage.

Available for both the Station and Utility Wagon.

OPTIONS

INEOS Dog Box - £525 + VAT

Compatible for both the 5 Seat Station Wagon and Utility Wagon drawers.

Dimensions - Width x Depth x Height (mm)
600 x 775 x 697.5

INEOS Gearslide Top - £750 + VAT

- 150 kg load capacity.
- 75% load bed extension.
- Single hand opening mechanism.
- Multiple locking positions for increased security.

INEOS Roof Shelf - £325 + VAT

The roof molle panel rack storage shelf gives you endless possibilities to utilise the roof space within your Grenadier.

No drilling required.

HARDTOPS

Quartermaster Hardtop - £3995 + VAT

Central Locking Upgrade - £400+ VAT

The Gullwing Hardtop gives you easy access to the bed with full-width doors without compromising on the structural integrity of the canopy, allowing you to access your gear hassle free, with no obstruction.

TONNEAUS

The Gearmate Tonneau Covers allow you to store and secure your valuable items beneath the deck, with integrated tie-down rails, also providing additional storage options and allowing items to be secured safely on top.

Quartermaster Tonneau Cover - £2500 + VAT

**DEFENDER 90
& 110 MODELS
